

Scales and Arpeggios

The Aristocats

Do – Mi – So – Do, Do – So – Mi – Do,
Every truly cultured music student knows
You must learn your scales and your arpeggios
Bring the music, ringing from your chest
And not your nose
While you sing your scales and your arpeggios.

If you're faithful to your daily practicing
You will find your progress is encouraging
Do - Mi – So – Mi , Do – Mi – So – Mi
Fa – La so it goes
When you do your scales and your arpeggios.
